A Shoebox can make a difference!

Be part of some thing this December that you will truly be blessed by as you are blessing others. The Colonias of south Texas has a large population of children who live in less than desirable living conditions. They live without water, sewer, proper housing and in some cases electric. This Christmas you can give the gift of hope to these kids and reach out with the love of a Christian. It is easy to get involved and is something your whole church can get behind. Join us in Harlingen this December for a life changing experience!
